

**BEST RECLINER**

**Sherrill Furniture MotionCraft L5070 Recliner**

The MotionCraft L5070 recliner distills Sherrill Furniture's long-standing tradition of craftsmanship into a relaxed yet modern statement piece. Channel-stitched leather on the back and seat adds tailored texture, while the exposed wood frame creates a clean, open silhouette that feels both contemporary and inviting. **BEST SIDEBOARD**

**Molteni&C Andromeda Sideboard**

The Andromeda sideboard embodies a refined dialogue between design, material innovation and architectural presence. Born from a collaboration between UniFor and LSM, and conceived within the evocative setting of Sicily's Andromeda Theater, the piece is defined by its disciplined composition and meticulous craftsmanship. Four compartments anchor the fixed configuration, while tapered steel edges lend lightness, and a recessed internal base gives the illusion of the piece floating on its lateral wings. **BEST GAME TABLE**

**Made Goods Brigitte Game Table**

Brigitte brings a polished, stone-forward elegance to game night, with rounded corners and fossilized stone styling that feels both luxe and inviting. Thoughtful details—like four pullout cup holders—make it as functional as it is elevated, turning a pastime staple into a true living-room showpiece. [madegoods.com](http://madegoods.com)

**BEST POUF**

**FENDI Casa F-Affair Pouf**

The F-Affair pouf distills the spirit of the broader F-Affair collection into a compact, sculptural form. Designed by Controvento, the pouf takes its shape from FENDI's iconic FF logo, with two interlocking forms that feel both playful and intimate. Eclectic yet refined, it balances graphic expression with soft comfort, functioning as an inviting seat, footrest or accent piece. [fendicasa.com](http://fendicasa.com)

**BEST CHILDREN'S FURNITURE COLLECTION**

**Paola Lenti Kids Collection**

Paola Lenti's Kids Collection brings the brand's signature elegance to a smaller scale. Sofas, poufs, armchairs, side tables, rugs and accessories are thoughtfully resized, transforming functional furniture into playful companions that spark imagination. From the Orbitry swivel seat's vibrant hues to the woven Ami chair, each piece captures the carefree, joyful perspective of childhood. [paolalenti.it](http://paolalenti.it)

**BEST SIDE TABLE**

**Baker Danzer Side Table (Designed by Orlando Diaz-Azcuy)**

The Danzer side table captures Orlando Diaz-Azcuy's gift of turning form into experience. Lively and kinetic, its sculptural silhouette rewards viewing from every angle, revealing shifting lines and subtle tension as light moves across its surfaces. More than an accent piece, Danzer feels like a small-scale work of art—dynamic, expressive and crafted with intention. [bakerfurniture.com](http://bakerfurniture.com)

**BEST CUSTOM RUGS**

**STARK Custom-Sized Rugs**

STARK brings made-to-measure luxury into the digital age with its custom-sized rugs program, transforming a traditionally arduous process into a seamless online experience. Drawing on more than 85 years of craftsmanship, the brand now allows clients to specify exact dimensions, explore a curated selection of customizable styles, and tailor colors, textures and patterns to suit their space, all with delivery in under three weeks. **BEST DINING TABLE**

**Paramount Wood Co. 10-Foot Live Edge Single Claro Walnut Dining Table**

This dining table is a study in natural drama and refined craftsmanship, anchored by a single uninterrupted slab that showcases the wood's rich tonal shifts and expressive grain. Organic edges and fluid contours celebrate the tree's character, while sculptural Taj bases in dark oiled bronze introduce an architectural counterpoint with a warm, metallic glow, creating an enduring centerpiece for dining rooms, meeting spaces and open interiors alike.
