TESSERE SPAZI Weaving spaces

Corraini Edizioni, pp. 168, € 50.00

Tessere Spazi narrates the project procedure in the design of Paola Lenti. The book, published by Corraini Edizioni, illustrates through sophisticated visual and tactile suggestions, the route followed by Paola Lenti and her company, which combined artistic projects with craftsmanship during the last 20 years. Chromatic combinations intersecting with rigid rules of perspective, shapes in a continuous interaction with variations of light and materials. The story of the design in the form of a planning springs from the
