IDEAS TO STEAL

Statement furniture and stunning lights make for a fabulous combination in this home

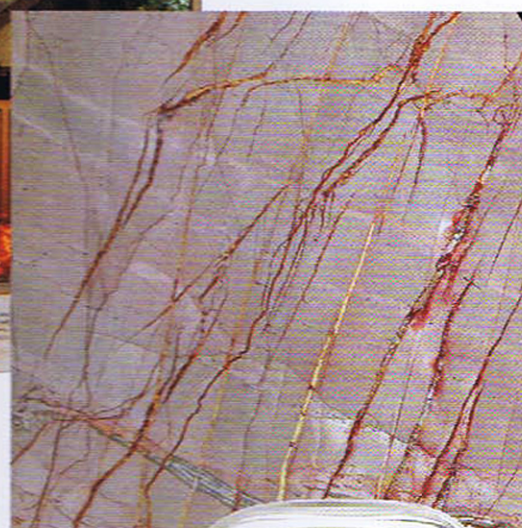

HOMES / ETC

FIRE & ICE

Stunning, albeit, a smart facade, is an all three-story home that has been crafted in a subdued two-toned colour palette and some surprising, standout elements.

HOME PROFILE

The owner, a couple, wanted a house that was a blend of a modern and a classic, elegant, modern and with a touch of luxury. The house is a blend of a modern and a classic, elegant, modern and with a touch of luxury.

Light up my life

Infuse colour and light in your home decor this Diwali with Agadir, a collection of outdoor floor and table lamps by Paola Lenti. The removable cover is made by sewing Rope cord in a spiral-like pattern. The lamps are dimmable LED, supplied by a battery. Available at Vivono Designs. vivonodesigns.com

Attention!

Just like test tubes standing in line like well-dressed soldiers, the Curve Quattro tea light holder from Kare Design is just stunning. Made of clear glass and brushed steel, it is an attention grabber. Available at Idus. idus.in

CROWN JEWELS

Inspired by the tales of the Arabian Nights, Scheherazade's Quarters Candle 1001 Lights by Lladro is in a tower shape. It is a translucent porcelain container with a red and gold lustre cover. The scent of the candle has been blended with cassis, lotus flower and frankincense. Once the wax has been used, the vase can be used as a decorative piece. lladro.com

Black gold

From the house of Stefano Ricci, check out the Black Fine Paisley decorative porcelain cup with perfumed candle that comes with 14k shiny gold patterns. The candle is perfumed with the SR Royal Eagle Black fragrance. stefanoricci.com
